

Company Profile

Cosda Group (Qingzhou Caiji Food Co., Ltd.) is a professional manufacturer specializing in freeze dried products and innovative confectionery solutions. With over 20 years of experience in food R&D and manufacturing, we provide OEM, private label and customized solutions for global customers.

Our product portfolio focuses on freeze dried snacks, freeze dried candy, freeze dried fruit products and other innovative food solutions. Supported by advanced technology, professional R&D capabilities and strict quality control systems, we are committed to delivering safe, innovative and high-quality food products for global markets.

Cosda Group has obtained several domestic and international management system certifications, including ISO22000, HACCP and HALAL, covering food safety, quality management and production standards. We have provided high-quality products and services to over 1,000 customers in the food and confectionery industries worldwide.

Driven by the philosophy of "Safety and Health", we continuously develop innovative food solutions that meet global market trends and support the sustainable growth of our partners worldwide.
